Some of you are paying more for your job printing than the Big San dy News office charges, and getting a poorer class of work and a cheaper grade of stock. It is worth your while to investigate.

#### RUBBER STAMPS. .

Rubber stamps are a great convenience for certain purposes. They are not suitable for printing your letter heads and envelopes. Neatly printed stationery looks business like and is cheaper, all things considered, than buying blank stock and stamping it yourself.

# Rheumatic

"My mother is a great sufferer from rheumatism, and Dr. Miles' Anti-Pain Pills is the only remedy that relieves her."

MRS. G. DAVENPORT. Roycefield, N. J. The pains of rheumatism are

almost invariably relieved with Dr. Miles' Anti-Pain Pills. They also overcome that nervous irritation which prevents sleep because they soothe the nerves. To chronic suffers they are invaluable. When taken as directed, they relieve the distress and save the weakening influence of pain, which so frequently prostrates. Many sufferers use them whenever occasion requires with the greatest satisfaction, why not you? They do not derange the stomach nor create a habit. Why not try them? Get a package from your druggist. Take it according to directions, and if it does not benefit he will return your money.
